ABOUT NAMMA JINI

Namma Jini offers seamless services and care **for all ages** in your **own** residential complex.

It is backed by CovaiCare, the pioneer in senior living in India.

Colonel Achal Sridharan is the Founder & Managing Director of CovaiCare. He carries decades of experience, not just in senior living, but also in real estate development.

Namma Jini is his latest brainchild.

A Personal Genie That Brings a Stress-Free Life for All

- For the working couple, it provides quality time with family and friends leading to a tension-free life.
- For seniors, it can improve health and self esteem, care and company.
- For children, it helps to keep them away from mobile phones and engage in physical activities.
